Ms. Iverson is an Associate. She has a Bachelor of Science Degree in Agricultural Sciences and a Master of Science Degree in Economics from Colorado State University.

Ms. Iverson joined BAI in 1994, and provides energy testimony, analysis and review in eleven states with work in the areas of restructuring, unbundling rates and assessing resource plans. Previously, she was Senior Utility Economist at ERG International Consultants, Inc. of Golden, Colorado where she was responsible for economic analysis of integrated resource planning and demand-side resource evaluation, along with cost allocation and rate design studies. She leads BAI's Phoenix, Arizona office.
